0001

Occupational Health and Safety Act, 1993 (Act No. 85 of 1993)

General Administrative Regulations, 2003

8. Reporting of incidents and occupational diseases

4) Any registered medical practitioner shall, within 14 days of the examination or treatment of a person for a disease contemplated in section 25 of the Act, give notice thereof to the chief inspector and the employer in the form of WCL22.

Occupational Health and Safety Act, 1993 (Act No. 85 of 1993)

27. Designation and functions of Chief Inspector

1) The Minister shall designate an officer serving in the Department as chief inspector for the purposes of this Act
