TO WHOM IT MAY CONCERN

Re: LOCUM POSITION AVAILABLE

Our practice requires the services of a locum. This position will be available immediately.

The practice is involved in occ health services and consultations, with special interest in shipping, diving, aviation, travel and immigration medicals.

Specific professional registration is required for each of the above disciplines but we require minimum registration with:

- MBChB degree – certified copy
 - HPCSA registration – current registration, including a letter of good standing.
 - Medical indemnity (MPS preferably) – present proof of membership.
 - Diploma in Occupational Health
-
- Willingness to register with SAMSA on acceptance of position.
 - Willingness to pursue academic requirements (part time study) and registration with as many licensing authorities as required by a comprehensive locum position. Basic requirements are:
 - Shipping → various other international authorities.
 - Travel and immigration → Registration with Canada, New Zealand & Australian Immigration authorities.
 - Diving → DMO with Dept of Labor OR/AND
 - Aviation → DAME with CAA

All suitable candidates are requested to submit applications, with condensed CV, to info@airseamed.co.za. Should you not be contacted within two weeks after submission, your application can unfortunately be regarded as unsuccessful.

Regards

Dr. L.A. DE KOCK
M.B.Ch.B., DOH, BScMedScHons
